**THIS BGS-FP SUPPLIER MASTER AGREEMENT**, made and entered into this \_\_\_\_ day of \_\_\_\_\_, 2013, by and between \_\_\_\_\_ (the “Company”), a corporation and a public utility organized and existing under the laws of the State of New Jersey, on its own behalf and as agent as more fully set forth below, and each of the suppliers listed on Appendix A hereto, severally and not jointly (each a “BGS-FP Supplier” and, collectively, the “BGS-FP Suppliers”), the Company and each BGS-FP Supplier hereinafter sometimes referred to collectively as the “Parties”, or individually as a “Party”,

### **WITNESSETH:**

**WHEREAS**, the Company is a public utility engaged, inter alia, in the transmission and distribution of electric Energy within its Service Territory located in the State of New Jersey; and

**WHEREAS**, pursuant to Section 9(c) of the Electric Discount and Energy Competition Act, N.J.S.A. 48:3-49 et. seq., the New Jersey Board of Public Utilities (“BPU”) has been authorized to make available to any power supplier on a competitive basis the opportunity to provide Basic Generation Service (“BGS”); and

**WHEREAS**, in its Decision and Order dated \_\_\_\_\_, in Docket No. ER12060485 (the “\_\_\_\_\_ Order”), the BPU found that for periods after May 31, 2013, it would serve the public interest for the Company to continue to secure BGS Supply through a bid process; and

**WHEREAS**, in the \_\_\_\_\_ Order, the BPU approved an auction design for

bidding out two Basic Generation Service products, one a fixed priced product termed Basic Generation Service – Fixed Pricing (“BGS-FP”), and one a variable hourly priced product termed Basic Generation Service – Commercial and Industrial Energy Pricing (“BGS-CIEP”); and

**WHEREAS**, on \_\_\_\_\_, 2013 to \_\_\_\_\_, 2013, a successful auction for bidding out BGS-FP was held; and,

**WHEREAS**, each BGS-FP Supplier was one of the winning bidders in the auction for the provision of BGS-FP; and

**WHEREAS**, the \_\_\_\_\_ Order authorized the Company to contract with winning bidders, on behalf of the consumers of electricity located on the Company’s distribution system, for the provision of the share of BGS-FP Load covered by the winning bid; and

**WHEREAS**, pursuant to the auction procedures approved in the \_\_\_\_\_ Order, the Company and each of the BGS-FP Suppliers desire to enter into this BPU-approved BGS-FP Supplier Master Agreement (“Agreement”) setting forth their respective obligations concerning the provision of BGS-FP.

**NOW, THEREFORE**, in consideration of the mutual covenants and promises set forth below, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto, intending to be legally bound, hereby covenant, promise and agree as follows:

Auction Price – the price, set forth in Appendix A, resulting from the Company’s competitive solicitation of the opportunity to supply BGS-FP subject to any adjustment made pursuant to Section 15.9 hereof. This price is the basis for financial settlement of BGS-FP Supply supplied by the BGS-FP Supplier to BGS-FP Customers under this Agreement.

Auction Website – [www.bgs-auction.com](http://www.bgs-auction.com)

Bankruptcy Code – those laws of the United States of America related to bankruptcy, codified and enacted as Title 11 of the United States Code, entitled “Bankruptcy” and found at 11 U.S.C. § 101 et seq., as such laws may be amended, modified, replaced or superseded from time to time.

(vi) to satisfy the Energy Portfolio Standards with respect to its BGS-

FP Supplier Responsibility Share; and

(vii) to comply in a timely manner with all obligations under this Agreement imposed upon a BGS-FP Supplier.

The Company hereby agrees as follows:

(i) to pay to each BGS-FP Supplier every month an amount equal to the Auction Price multiplied by the Seasonal Billing Factor multiplied by the PMEA, as detailed in Article 9 of this Agreement and subject to the exceptions set forth therein;

(ii) to pay to each BGS-FP Supplier the PMEA/FMEA Adjustment Amount for any Billing Month in which the FMEA exceeds the PMEA, as more fully described in Article 9 of this Agreement;

(iii) to provide to each BGS-FP Supplier its estimated aggregate load obligation for each Supply Day twenty (20) days prior to the Supply Day, and its final estimated load obligation for each Supply Day five (5) days prior to the Supply Day;

(iv) to the extent that (a) the Company purchases Energy during the term of this Agreement from renewable energy resources that meet the eligibility requirements for satisfying the Energy Portfolio Standards; (b) the renewable energy attributes transfer to the Company under the terms of the Energy purchase arrangements; and (c) the Company is not utilizing the renewable energy attributes associated with such purchases to meet obligations as a Load Serving Entity within PJM, the Company shall apply such renewable energy attributes to help satisfy the BGS-FP Supplier's Energy Portfolio Standards obligations under Section 2.2(a)(vi) of this Agreement to the extent that the Applicable Legal Authorities expressly allow or authorize the Company to do so;

(v) to pay to each BGS-FP Supplier, as approved by the BPU, a percentage share equal to the BGS-FP Supplier Responsibility Share of such BGS-FP Supplier of all amounts received from a TPS as damages, penalties or forfeited security due to the failure of such TPS to provide adequate notice in conformance with applicable BPU requirements that a Customer previously served by the TPS is switching to BGS-FP or forfeited as a result of an event of default by a TPS under the Company's Third Party Supplier Agreement; provided that the amounts paid to BGS-FP Suppliers shall be net of any amounts retained by the Company to offset costs or losses of the Company associated with the failure of the TPS to provide adequate notice or the occurrence of an event of default under the Company's Third Party Supplier Agreement; and further provided, that the Company shall have no obligation to seek the recovery of any damages, penalties or forfeited security due from a TPS through collection efforts, judicial procedures or otherwise; and

(vi) to comply in a timely manner with all obligations under this Agreement imposed upon the Company.

**(c) Obligation of the BGS-FP Customers**

The Company hereby agrees on behalf of the BGS-FP Customers to accept the delivery of BGS-FP Supply necessary to meet the BGS-FP Load.

**2.3 PJM Services**

Each BGS-FP Supplier shall make all necessary arrangements for the delivery of BGS-FP Supply through the PJM OI. The Company will advise the PJM OI of the magnitude and location of each BGS-FP Supplier's actual BGS-FP Supplier

Responsibility Share, as required by the PJM OI, for the purpose of calculating such BGS-FP Supplier's appropriate Firm Transmission Service obligation, Capacity obligation, Energy obligation, or other requirements related to the provision of service under this Agreement by BGS-FP Suppliers arising under the PJM OATT, PJM RAA, PJM OA and any other applicable PJM agreement (collectively, the "PJM Agreements"). Each BGS-FP Supplier shall remain responsible to PJM for the performance of its LSE obligations associated with the provision of BGS-FP Supply under this Agreement until the effective date of the transfer of such LSE obligations.

#### **2.4 Communications and Data Exchange**

Each BGS-FP Supplier and the Company shall supply to each other all data, materials or other information that is specified in this Agreement, or that may otherwise reasonably be required by BGS-FP Suppliers or by the Company in connection with the provision of BGS-FP Supply by the BGS-FP Supplier to BGS-FP Customers, if required, in a thorough and timely manner.

Electronic information exchange between each BGS-FP Supplier and the Company under this Agreement shall employ a BGS-FP Supplier identification number, assigned by the Company, which shall be consistent with the BGS-FP Supplier's Dunn & Bradstreet Business number. Each BGS-FP Supplier must be equipped with the communications capabilities necessary to comply with the communications and data exchange standards that are set by and as may, from time to time, be modified by PJM, and must bear the costs of putting in place and successfully testing all required information technology systems that will enable it to send to and receive data from the Company and PJM and to satisfy its obligations under this Agreement, the PJM

Agreements and all other relevant agreements.

## **2.5 Record Retention**

The Company shall retain, for a period of two (2) years following the expiration of the term of this Agreement, necessary records so as to permit BGS-FP Suppliers to confirm the validity of payments due to BGS-FP Suppliers hereunder; provided that if a BGS-FP Supplier has provided notice within two (2) years of the expiration of the term of this Agreement that it disputes the validity of any payments, the Company agrees that it shall retain all records related to such dispute until the dispute is finally resolved.

## **2.6 Verification**

In the event of a good faith dispute regarding any invoice issued or payment due under this Agreement, and provided that a mutually acceptable confidentiality agreement is executed by the Parties, each Party will have the right to verify, at its sole expense, the accuracy of the invoice or the calculation of the payment due by obtaining copies of relevant portions of the books and records of the other Party. The right of verification will survive the termination of this Agreement for a period of two (2) years after termination.

## **ARTICLE 3: REPRESENTATIONS AND WARRANTIES**

### **3.1 BGS-FP Supplier's Representations and Warranties**

k) the Company shall have full responsibility for metering, billing and delivery with respect to Customers and BGS-FP Suppliers shall have no responsibility with respect thereto; and

l) the Company shall be responsible for distribution services and the BGS-FP Supplier shall not be responsible for distribution charges.

### **3.3 Survival of Obligations**

All representations and warranties contained in this Article are of a continuing nature and shall be maintained during the term of this Agreement. If a Party learns that any of the representations, warranties or covenants in this Agreement are no longer true during the term of this Agreement, the Party shall immediately notify the other Party via facsimile, with a hard copy of the notice delivered by overnight mail.

## **ARTICLE 4: COMMENCEMENT AND TERMINATION OF AGREEMENT**

### **4.1 Commencement and Termination**

The term of this Agreement shall commence upon the Effective Date; provided that the provision of BGS-FP Supply by BGS-FP Suppliers to BGS-FP Customers on the

Company's system shall commence at 00:01 a.m. on June 1, 2013 and shall end at midnight on May 31, 2016, unless this Agreement is terminated earlier in accordance with the provisions hereof.

#### **4.2 Termination of Right to Supply BGS-FP**

Each BGS-FP Supplier agrees that termination of this Agreement for reason of an Event of Default shall terminate any right of such BGS-FP Supplier to provide BGS-FP Supply to the BGS-FP Customers and nullify any of the entitlements to which such BGS-FP Supplier became entitled as a result of being selected as a winning bidder in the competitive solicitation for BGS-FP Supply.

#### **4.3 Survival of Obligations**

Termination of this Agreement for any reason shall not relieve the Company or any BGS-FP Supplier of any obligation accrued or accruing prior to such termination. Applicable provisions of this Agreement shall continue in effect after termination to the extent necessary to provide for final billings and adjustments including, without limitation, any obligation to pay amounts tracked and retained by the Company during the term of this Agreement for the benefit of the BGS-FP Suppliers under Section 15.9 of this Agreement.

#### **4.4 Mutual Termination**

The Company and the BGS-FP Supplier may agree at any time during the term of this Agreement to terminate their respective rights and obligations hereunder on such terms and under such conditions that they mutually deem to be appropriate as set forth in a mutual termination agreement acceptable in form and substance to the Company and the BGS-FP Supplier ("Mutual Termination Agreement"); provided that Company agrees

that it shall enter into such a Mutual Termination Agreement, which will discharge the terminating BGS-FP Supplier (the “Terminating BGS-FP Supplier”) with respect to liabilities arising after the effective date of the Mutual Termination Agreement if the following conditions precedent are met: (i) the Terminating BGS-FP Supplier identifies a replacement supplier willing to assume all obligations of the Terminating BGS-FP Supplier hereunder for the remaining term of this Agreement (the “Replacement BGS Supplier”); (ii) the Replacement BGS Supplier demonstrates its compliance with Article 6 of this Agreement, “Creditworthiness”, as of the effective date of the Mutual Termination Agreement; (iii) the Replacement BGS Supplier executes a counterpart signature page to this Agreement and thereby becomes a Party under this Agreement, effective immediately following the effective date of the Mutual Termination Agreement; and (iv) the Terminating BGS Supplier is not, to the belief or knowledge of the Company, subject to an Event of Default as of the effective date of the Mutual Termination Agreement or, if the Company believes that the Terminating BGS Supplier may be subject to an Event of Default, either (a) the Company has determined that, as of the effective date of the Mutual Termination Agreement, it has not incurred any Damages as a result of the Event of Default or (b) if the Company has determined, as of the effective date of the Mutual Termination Agreement, that it may have incurred Damages as a result of the Event of Default, that the Replacement BGS Supplier has agreed in writing to be responsible for the payment of such Damages or to otherwise cure the Event of Default, in either case to the satisfaction of the Company.

## **ARTICLE 5: BREACH AND DEFAULT**

### **5.1 Events of Default**

An Event of Default under this Agreement shall occur if a Party (the “Defaulting Party”):

- (i) is the subject of a voluntary bankruptcy, insolvency or similar proceeding;
- (ii) makes an assignment for the benefit of its creditors;
- (iii) applies for, seeks consent to, or acquiesces in the appointment of a receiver, custodian, trustee, liquidator or similar official to manage all or a substantial portion of its assets;
- (iv) is dissolved (other than pursuant to a consolidation, amalgamation or merger) or is the subject of a Merger Event;
- (v) has a secured party take possession of all or substantially all of its assets or has a distress, execution, attachment, sequestration or other legal process levied, enforced or sued on or against all or substantially all of its assets;
- (vi) has a resolution passed for its winding-up, official management or liquidation (other than pursuant to a consolidation, amalgamation or merger);
- (vii) in the case of a BGS-FP Supplier, PJM terminates the BGS-FP Supplier’s ability to make purchases from PJM markets or PJM holds the Company responsible for the provision of Energy, Capacity, Firm Transmission Service or Ancillary Services to meet the BGS-FP Supplier’s BGS-FP Supplier Responsibility Share under this Agreement;
- (viii) fails to comply with the creditworthiness requirements as set forth in Article 6 of this Agreement, including, without limitation, compliance with the

creditworthiness requirements to cover the Margin calculated under Section 6.7 or post any Margin due under Section 6.7 of this Agreement, within the time frames set forth in this Agreement;

(ix) in the case of the Company, fails to implement any measures that it is directed to implement by the Board pursuant to the creditworthiness review procedure adopted by the Board in its Order dated December 4, 2002 (Docket No. EX01110754);

(x) fails to pay the other Party when payment is due;

(xi) violates any federal, state or local code, regulation or statute applicable to the supply of Energy in a manner that materially, and adversely, affects the Party's performance under this Agreement, including by way of failure to continually satisfy all applicable FERC requirements, or, in the case of a BGS-FP Supplier, by way of failure to maintain any other governmental approvals required for participation in the New Jersey retail Energy market as a BGS-FP Supplier, default on any obligation or other failure to comply with PJM requirements under the PJM Agreements or fails to comply with the Energy Portfolio Standards with respect to the BGS Supplier's BGS-FP Supplier Responsibility Share;

(xii) is the subject of an involuntary bankruptcy or similar proceeding;

(xiii) subject to Section 5.3 (b) of this Agreement, in the case of the Company acting on behalf of the BGS-FP Customers, fails to accept BGS-FP Supply properly tendered by the BGS-FP Supplier under this Agreement;

(xiv) fails to satisfy any other material obligation under this Agreement not listed above;

(xv) makes a materially incorrect or misleading representation or warranty

under this Agreement; or

(xvi) commits an act or makes an omission that constitutes an “Event of Default” under any other agreement(s) for the provision of BGS Supply between the Company and the BGS-FP Supplier;

and fails to remedy such condition, event or delinquency herein above described such that the other Party (the “Non-Defaulting Party”) is completely made whole with respect to such condition, event or delinquency, within three (3) Business Days of receipt of written notice thereof from such Non-Defaulting Party; provided, however, that an Event of Default shall be deemed to have occurred immediately, without any need for the provision of notice thereof by the Non-Defaulting Party and without any right of cure on the part of the Defaulting Party, in the event of the occurrence of a condition, event or delinquency described in subsections “i”, “ii”, “iii”, “iv”, “v”, “vi”, “vii” or “viii” above.

## **5.2 Rights Upon Default**

Upon and during the continuation of an Event of Default, the Non-Defaulting Party shall be entitled to:

- (i) pursue any and all available legal and equitable remedies;
- (ii) declare an Early Termination Date of this Agreement with respect to the obligations of the Defaulting Party without any liability or responsibility whatsoever except for obligations arising prior to the date of termination, by providing written notice to the Defaulting Party; provided, however, that this Agreement shall immediately terminate automatically and without notice in the case of any Event of Default in which a Supplier is the Defaulting Party occurring under subsections (i), (ii), (iii), (iv), (v), (vi), (vii) or (viii) of Section 5.1 of this Agreement and such date of automatic termination

shall be deemed the Early Termination Date of this Agreement with respect to such Supplier; and

- (iii) receive Damages in accordance with Section 5.3 of this Agreement.

The Non-Defaulting Party shall be entitled to elect or pursue one or more of the above remedies.

### **5.3 Damages Resulting From an Event of Default**

(a) **BGS-FP Supplier's Failure to Supply BGS-FP Supply or Declaration of Early Termination By Company:** Damages resulting from (i) a BGS-FP Supplier's failure to (A) provide BGS-FP Supply in conformance with Section 2.2 hereof or (B) pay PJM for purchases of any products or services from PJM, or other failure to comply with PJM requirements, such that PJM holds the Company responsible for the provision of Energy, Capacity, Firm Transmission Service or Ancillary Services to meet such BGS-FP Supplier's BGS-FP Supplier Responsibility Share under this Agreement or (ii) the occurrence of any Event of Default attributable to a BGS-FP Supplier resulting in Early Termination, shall include all Costs incurred by the Company, acting in a commercially reasonable manner consistent with any statutory or regulatory requirements imposed by the Applicable Legal Authorities, in obtaining replacement services or in obtaining a replacement supplier, which Costs exceed the amounts that would have been payable to the defaulting BGS-FP Supplier under this Agreement. Costs incurred by the Company for the purpose of calculating Damages hereunder will consist of:

- (i) the cost of Energy (including all charges for losses and congestion), Firm Transmission Service, Capacity, Ancillary Services or other elements

of BGS-FP Supply allocated to the Company by the PJM OI due to the failure of a BGS-FP Supplier to meet obligations owing to the PJM OI in connection with its obligations under this Agreement;

(ii) the cost of Energy (including all charges for losses and congestion), Firm Transmission Service, Capacity, Ancillary Services or other elements of BGS-FP Supply purchased by the Company to replace BGS-FP Supply that a BGS-FP Supplier was obligated to supply under this Agreement during the term hereof;

(iii) administrative and legal costs associated with procuring replacement BGS-FP Supply; and

(iv) financial hedging costs incurred by the Company on behalf of BGS-FP Customers as a result of having to procure BGS-FP Supply not provided by a BGS-FP Supplier.

Without limitation of the foregoing, Damages calculated hereunder shall constitute the ultimate liability of a BGS-FP Supplier in the event of an Early Termination caused by an Event of Default attributable to such BGS-FP Supplier regardless of the reason or basis for such Early Termination. The Parties recognize, however, that the final calculation of Damages hereunder may not be known for some time since the level of such Damages may be dependant upon the arrangements made by the Company to obtain replacement services or a replacement supplier. The Company and each BGS-FP Supplier agree that, until the calculation of Damages under this provision is completed, the amount and payment to the Company of the Settlement Amount on behalf of BGS-FP Customers in the event of an Early Termination as set forth in Section 5.4 of this Agreement shall be immediately due and owing as an estimate of all

Damages ultimately determined to be due and owing. After Damages have been finally determined under this Section 5.3, the amounts of Damages due and owing will be reconciled with payments already made by the BGS-FP Supplier under Section 5.4 of this Agreement.

(b) **Failure By Company on Behalf of Customers To Accept BGS-FP Supply Tendered By BGS-FP Supplier:** Damages resulting from the failure of the Company on behalf of Customers to accept BGS-FP Supply tendered by the BGS-FP Supplier necessary to meet the BGS-FP Supplier Responsibility Share of BGS-FP Load under this Agreement shall consist of the positive difference (if any) between the amounts that would have been payable to the BGS-FP Supplier hereunder had the Company accepted the BGS-FP Supply tendered by the BGS-FP Supplier necessary to meet the BGS-FP Supplier Responsibility Share of BGS-FP Load under this Agreement minus the amount realized by the BGS-FP Supplier in disposing, in a commercially reasonable manner, of the BGS-FP Supply not accepted by the Company; provided, however, that the Company shall not be required to accept on behalf of any Customer, quantities of unbundled Energy, Ancillary Services or other component of BGS-FP Supply utilized by Customers on an instantaneous basis as a function of electrical load, in excess of such Customer's instantaneous consumption of such component of BGS-FP Supply.

(c) **Damages Resulting From Early Termination Due To An Event of Default Attributable To the Company:** Damages resulting from Early Termination due to an Event of Default attributable to the Company shall be as set forth in Section 5.4 of this Agreement. Damages calculated in accordance with said Section 5.4 shall be the

exclusive remedy available to the BGS-FP Supplier in the event of Early Termination resulting from an Event of Default attributable to the Company.

(d) **Other Damages:** Damages for Events of Default not specified above shall consist of the direct Damages incurred by the Non-Defaulting Party.

#### **5.4 Declaration of an Early Termination Date and Calculation of Settlement Amount and Termination Payment**

(a) **Settlement Amount.** If an Event of Default with respect to a Defaulting Party shall have occurred and be continuing, the Non-Defaulting Party (in the case of an Event of Default by the Company, each BGS-FP Supplier shall be considered a “Non-Defaulting Party”) shall have the right (i) to designate a day, no earlier than the day such notice is effective and no later than twenty (20) days after such notice is effective, as a date for Early Termination (“Early Termination Date”) to accelerate all amounts owing between the Parties and to liquidate and terminate the undertakings set forth in this Agreement, (ii) to withhold any payments due to the Defaulting Party under this Agreement, and (iii) to suspend performance; provided however, that an Early Termination Date shall be deemed to occur automatically and concurrently with the Event of Default, without any requirement for the provision of notice by the Non-Defaulting Party, with respect to an Event of Default under subsections “i”, “ii”, “iii”, “iv”, “v”, “vi”, “vii” and “viii” of Section 5.1 of this Agreement. The Non-Defaulting Party shall calculate, in a commercially reasonable manner, a Settlement Amount with respect to the obligations under this Agreement. For the purposes of such determination, the quantity amounts of Energy (including all charges for losses and congestion), Capacity and other services provided for under this Agreement for the period following the Early Termination Date through the remainder of the term of this Agreement shall be

deemed to be those quantity amounts that would have been delivered on an hourly basis, had this Agreement been in effect during the previous calendar year adjusted for such BGS-FP Load changes as may have occurred since the previous calendar year.

(b) **Net Out of Settlement Amounts.** The Non-Defaulting Party shall calculate a Termination Payment by aggregating all Settlement Amounts due under this Agreement or any other agreement(s) between the Company and the BGS-FP Supplier for the provision of BGS Supply into a single amount: by netting out (a) all Settlement Amounts that are due or will become due to the Defaulting Party, plus at the option of the Non-Defaulting Party, any cash or other form of security then available to the Non-Defaulting Party and actually received, liquidated and retained by the Non-Defaulting Party, plus any or all other amounts due to the Defaulting Party under this Agreement or any other agreement(s) between the Company and the BGS-FP Supplier for the provision of BGS Supply against (b) all Settlement Amounts that are due or will become due to the Non-Defaulting Party, plus any or all other amounts due to the Non-Defaulting Party under this Agreement or any other agreement(s) between the Company and the BGS-FP Supplier for the provision of BGS Supply, so that all such amounts shall be netted out to a single liquidated amount; provided, however, that if the BGS-FP Supplier is the Defaulting Party and the Termination Payment is due to the BGS-FP Supplier, the Company shall be entitled to retain a commercially reasonable portion of the Termination Payment, which may be equal to the entire amount of the Termination Payment, as security for additional amounts that may be determined to be due and owing by the BGS-FP Supplier as Damages and further provided that any previously attached security interest of the Company in such retained amounts shall continue. The Termination

Payment shall be due to or due from the Non-Defaulting Party as appropriate. If the Termination Payment has been retained by the Company as security for additional amounts that may be determined to be due and owing by the BGS-FP Supplier, and if, upon making a final determination of Damages, the Termination Payment, or any portion thereof, is to be made to the BGS-FP Supplier, the Company will pay simple interest on the Termination Payment amount being made to the BGS-FP Supplier. Simple interest will be calculated at the lower of the Interest Index or six (6) percent per annum.

(c) **Notice of Termination Payment.** As soon as practicable after calculation of a Termination Payment, notice shall be given by the Non-Defaulting Party to the Defaulting Party of the amount of the Termination Payment and whether the Termination Payment is due to or due from the Non-Defaulting Party. The notice shall include a written statement explaining in reasonable detail the calculation of such amount. Subject to Section 5.4(b) above, the Termination Payment shall be made by the Party that owes it within three (3) Business Days after such notice is effective.

(d) **Disputes With Respect to Termination Payment.** If the Defaulting Party disputes the Non-Defaulting Party's calculation of the Termination Payment, in whole or in part, the Defaulting Party shall, within three (3) Business Days of receipt of Non-Defaulting Party's calculation of the Termination Payment, provide to the Non-Defaulting Party a detailed written explanation of the basis for such dispute; provided, however, that if the Termination Payment is due from the Defaulting Party, the Defaulting Party shall first provide commercially reasonable financial assurances to the Non-Defaulting Party in an amount equal to the Termination Payment.

(e) **Multiple BGS Supply Agreements.** It is the intention of the Company and the BGS-FP Supplier that, in the event the BGS-FP Supplier is a party to other agreements with the Company for the provision of BGS Supply that existed prior to the Effective Date of this Agreement or are entered into after the Effective Date of this Agreement, the Company will calculate a single Termination Payment applicable to all such agreements as set forth herein. Each BGS-FP Supplier that is a party to such other agreements with the Company for the provision of BGS Supply hereby agrees that such other agreements are deemed amended by this Agreement for the purpose of calculating a single Termination Payment as described herein.

#### **5.5 Step-up Provision**

If any one or more BGS-FP Suppliers defaults in its obligations hereunder resulting in the exercise of the right of Early Termination by the Company with respect to such BGS-FP Supplier(s), then the Company, consistent with its Contingency Plan approved by the Board in its Order dated \_\_\_\_\_, may, at the Company's option, offer some or all Non-Defaulting Supplier(s) the optional right to assume under this Agreement additional Tranches of BGS-FP Load, subject to compliance with the creditworthiness provisions of Article 6 of this Agreement. The provision of any such offer by the Company to Non-Defaulting Suppliers shall indicate the duration of the offer and the manner of acceptance thereof. Following the assumption by BGS-FP Supplier(s) of additional Tranches hereunder, the Company shall prepare a modified Appendix A which shall set forth the revised BGS-FP Supplier Responsibility Shares of the BGS-FP Load of the participating Non-Defaulting BGS-FP Supplier(s) following such assumption. This modified Appendix A shall be initialed (as a single document or in

counterparts) by the Company and any affected BGS-FP Supplier(s) and shall thereafter be deemed a part of this Agreement, as to such affected BGS-FP Supplier(s), from the effective date of such modified Appendix A. A BGS-FP Supplier will not suffer any prejudice if it declines an offer to assume additional Tranches upon the default by another BGS-FP Supplier.

#### **5.6 Setoff of Payment Obligations of The Non-Defaulting Party**

Any payment obligations of the Non-Defaulting Party to the Defaulting Party pursuant to this Agreement or any other agreement(s) between the Company and the BGS-FP Supplier for the provision of BGS Supply shall be set off: (i) first, to satisfy any payment obligations of the Defaulting Party to the Non-Defaulting Party pursuant to this Agreement or any other agreement(s) between the Company and the BGS-FP Supplier for the provision of BGS Supply that are unsecured and not subject to any Guaranty; (ii) second, to satisfy any payment obligations of the Defaulting Party to the Non-Defaulting Party pursuant to this Agreement or any other agreement(s) between the Company and the BGS-FP Supplier for the provision of BGS Supply that are unsecured, but which are subject to a Guaranty; and (iii) third, to satisfy any remaining payment obligations of the Defaulting Party to the Non-Defaulting Party pursuant to this Agreement or any other agreement(s) between the Company and the BGS-FP Supplier for the provision of BGS Supply.

#### **5.7 Preservation of Rights of Non-Defaulting Party**

The rights of the Non-Defaulting Party under this Agreement, including without limitation Sections 5.4 and 5.6 of this Agreement, shall be supplemental to, and not in lieu of, any right of recoupment, lien, or set-off afforded by applicable law, and all

such rights are expressly preserved for the benefit of the Non-Defaulting Party.

## **ARTICLE 6: CREDITWORTHINESS**

### **6.1 Applicability**

Each BGS-FP Supplier agrees that it shall meet the creditworthiness requirements of this Article 6 at all times during the term of this Agreements and shall inform the Company immediately of any changes in its credit rating or financial condition. Without limitation of the foregoing, each BGS-FP Supplier shall, upon written request, affirmatively demonstrate to the Company, its compliance with the creditworthiness requirements set forth hereunder. The Company may establish less restrictive creditworthiness requirements under this Article 6 in a non-discriminatory manner.

### **6.2 Creditworthiness Determination**

The BGS-FP Supplier may submit and maintain a security deposit in accordance with Section 6.3 and 6.6 of this Agreement in lieu of submitting to or being qualified under a creditworthiness evaluation. The BGS-FP Supplier shall have the opportunity to petition the Company to re-evaluate its creditworthiness whenever an event occurs that the BGS-FP Supplier believes would improve the determination made by the Company of its creditworthiness. The Company's credit re-evaluation must be completed as soon as possible but no longer than thirty (30) days after receiving a fully documented request. The Company must provide the rationale for its determination of the credit limit and any resulting security requirement. The Company must perform its credit re-evaluation and associated security calculation in a non-discriminatory manner. BGS-FP Suppliers shall provide unrestricted access to audited financial statements; provided that if audited financial statements are not available, the Company may specify other types of financial

statements that will be accepted.

### **6.3 Independent Credit Requirement**

The Independent Credit Requirement per Tranche (“ICRT”) that will be required of BGS-FP Suppliers under this Agreement shall initially be \$2.4 million per Tranche and shall decline in accordance with the schedule included as part of Appendix B throughout the term hereof. The ICR under this Agreement is the ICRT times the number of Tranches shown in Appendix A hereto.

### **6.4 Independent Credit Threshold**

BGS-FP Suppliers that qualify under the following criteria will be granted an Independent Credit Threshold (“ICT”). The ICT will be used by the BGS-FP Supplier solely to partially or fully cover the aggregate ICR amounts under this Agreement and any other BGS Supply agreement(s) between it and the Company. In all instances, the most current senior unsecured debt rating (or, if unavailable, the most current corporate issuer rating discounted one notch) will be used.

(a) The following requirements shall apply to BGS-FP Suppliers or Guarantors of BGS-FP Suppliers that have been incorporated or otherwise formed under the laws of a state of the United States or of the District of Columbia in order to be granted an ICT. For BGS-FP Suppliers who cannot meet the following requirements, the posting of cash or a letter of credit in an acceptable form as defined in Section 6.9(b) below (see standard format in Appendix C) for the entire aggregate ICR amounts under this Agreement and any other BGS Supply agreement(s) between it and the Company will be required at the time of or prior to the execution of this Agreement.

(i) The BGS-FP Supplier shall meet the following

requirements: (1) must be rated by at least two of the following rating agencies: Standard & Poor’s Ratings Services (“S&P”), Moody’s Investors Service, Inc. (“Moody’s”), Fitch, Inc. (“Fitch”) or A.M. Best Company (“A.M. Best”), and (2) must have a minimum senior unsecured debt rating (or, if unavailable, corporate issuer rating discounted one notch) of at least “BBB-” from S&P, “Baa3” from Moody’s, “BBB-” from Fitch, or “bbb” from A.M. Best (a “Minimum Rating”). If the BGS-FP Supplier is rated by only two rating agencies, and the ratings are split, the lower rating will be used. If the BGS-FP Supplier is rated by three or four rating agencies, and the ratings are split, the lower of the two highest ratings will be used; however, in the event that the two highest ratings are common, such common rating will be used. The maximum level of the ICT will be determined based on the following table:

Credit Rating of the BGS-FP Supplier				Max. Independent Credit Threshold
S&P	Moody’s	Fitch	A.M. Best	
A- and above	A3 and above	A- and above	aaa	16% of TNW <sup>1</sup>
BBB+	Baa1	BBB+	aa	10% of TNW
BBB	Baa2	BBB	a	8% of TNW
BBB-	Baa3	BBB-	bbb	6% of TNW
Below BBB-	Below Baa3	Below BBB-	Below bbb	0% of TNW

<sup>1</sup> “TNW” means Tangible Net Worth.

The BGS-FP Supplier will be required to post cash or a letter of credit in an acceptable form as defined in Section 6.9(b) of this Agreement (see standard format in Appendix C) for the aggregate ICR amounts under this Agreement and any other BGS Supply agreement(s) between it and the Company, to the extent that the aggregate ICR exceeds the ICT at the time of or prior to the execution of this Agreement; or

(ii) For BGS-FP Suppliers having a Guarantor, the Guarantor (1) must be rated by at least two of the following rating agencies: S&P, Moody's, Fitch, or A.M. Best, and (2) must have a minimum senior unsecured debt rating (or, if unavailable, corporate issuer rating discounted one notch) equal to the Minimum Rating. If the Guarantor is rated by only two rating agencies, and the ratings are split, the lowest rating will be used. If the Guarantor is rated by three or four rating agencies, and the ratings are split, the lower of the two highest ratings will be used; however, in the event that the two highest ratings are common, then such common rating will be used. The maximum level of the ICT that could be provided through the Guaranty (see standard format in Appendix D) will be determined based on the following table:

Credit Rating of the Guarantor				Max. Independent Credit Threshold
S&P	Moody's	Fitch	A.M. Best	
A- and above	A3 and above	A- and above	aaa	16% of TNW
BBB+	Baa1	BBB+	aa	10% of TNW
BBB	Baa2	BBB	a	8% of TNW
BBB-	Baa3	BBB-	bbb	6% of TNW
Below BBB-	Below Baa3	Below BBB-	Below bbb	0% of TNW

The BGS-FP Supplier will be granted an ICT of up to the amount of the Guaranty, provided that the amount of the Guaranty is below the maximum ICT shown in the table above; provided that if a Guaranty is provided for an unlimited amount, the BGS-FP Supplier will be granted an ICT of up to the maximum ICT shown in the table above. The Guaranty tendered by the BGS-FP Supplier to satisfy the ICT requirement arising under this Section 6.4 shall be a separate document from the Guaranty, if any, tendered by the BGS-FP Supplier to satisfy any requirement for a credit limit to cover the Total Exposure Amount arising under Section 6.6 of this Agreement; provided, however, that a single Guaranty may be provided if such Guaranty is for an unlimited amount. The BGS-FP Suppliers will be required to post cash or a letter of credit in an acceptable form as defined in Section 6.9 of this Agreement for the aggregate ICR amounts under this Agreement and any other BGS Supply agreement(s) between it and the Company, to the extent that the aggregate ICR exceeds the ICT at the time of or prior to the execution of this Agreement.

(b) The following standards shall apply to BGS-FP Suppliers or Guarantors of BGS-FP Suppliers that have not been incorporated or otherwise formed under the laws of a state of the United States or of the District of Columbia. For a BGS-FP Supplier who cannot meet the following requirements, the posting of cash or a letter of credit in an acceptable form as defined in Section 6.9(b) of this Agreement (see standard format in Appendix C) for the entire aggregate ICR amounts under this Agreement and any other BGS Supply agreement(s) between it and the Company will be required at the time of or prior to the execution of this Agreement.

(i) The BGS-FP Supplier shall supply such evidence of

creditworthiness so as to provide the Company with comparable assurances of creditworthiness as is applicable above for BGS-FP Suppliers that have been incorporated or otherwise formed under the laws of a state of the United States or of the District of Columbia. The Company shall have full discretion, without liability or recourse to the BGS-FP Supplier, to evaluate the evidence of creditworthiness submitted by such BGS-FP Supplier; or

(ii) The Guarantor of a BGS-FP Supplier shall supply such evidence of creditworthiness so as to provide the Company with comparable assurances of creditworthiness as is applicable above for Guarantors of BGS-FP Suppliers that have been incorporated or otherwise formed under the laws of a state of the United States or of the District of Columbia. The Company shall have full discretion, without liability or recourse to the Guarantor or the BGS-FP Supplier, to evaluate the evidence of creditworthiness submitted by such Guarantor.

(c) All BGS-FP Suppliers or Guarantors of BGS-FP Suppliers that have not been incorporated or otherwise formed under the laws of a state of the United States or of the District of Columbia shall, in addition to all documentation required elsewhere in this Section 6.4, supply the following as a condition of being granted an ICT:

(i) For BGS-FP Suppliers: (i) a legal opinion of counsel qualified to practice in the foreign jurisdiction in which the BGS-FP Supplier is incorporated or otherwise formed that this Agreement has been duly authorized, executed and delivered and is the legal, valid and binding obligation of the BGS-FP Supplier in the jurisdiction in which it has been incorporated or otherwise formed; (ii) the sworn

certificate of the corporate secretary (or similar officer) of such BGS-FP Supplier that the person executing this Agreement on behalf of the BGS-FP Supplier has the authority to execute the Agreement and that the governing board of such BGS-FP Supplier has approved the execution of this Agreement; and (iii) the sworn certificate of the corporate secretary (or similar officer) of such BGS-FP Supplier that the BGS-FP Supplier has been authorized by its governing board to enter into agreements of the same type as this Agreement. The Company shall have full discretion, without liability or obligation to the BGS-FP Supplier, to evaluate the sufficiency of the documents submitted by the BGS-FP Supplier.

(ii) For the Guarantor of a BGS-FP Supplier: (i) a legal opinion of counsel qualified to practice in the foreign jurisdiction in which the Guarantor is incorporated or otherwise formed that the Guaranty has been duly authorized, executed and delivered and is the legal, valid and binding obligation of the Guarantor in the jurisdiction in which it has been incorporated or otherwise formed; (ii) the sworn certificate of the corporate secretary (or similar officer) of such Guarantor that the person executing the Guaranty on behalf of the Guarantor has the authority to execute the Guaranty and that the governing board of such Guarantor has approved the execution of the Guaranty; and (iii) the sworn certificate of the corporate secretary (or similar officer) of such Guarantor that the Guarantor has been authorized by its governing board to enter into agreements of the same type as this Guaranty. The Company shall have full discretion, without liability or obligation to the Guarantor or the BGS-FP Supplier, to evaluate the sufficiency of the documents submitted by such Guarantor.

## **6.5 Mark-to-Market Credit Exposure Methodology**

To calculate the daily exposure for each BGS-FP Supplier the Mark-to-Market (“MtM”) credit exposure methodology will be used. The “mark” for each Billing Month will be determined at the time the auction is completed based on the available Forward Market Prices and for the remaining Billing Months will be derived based on historical data. At the time the auction is completed, the MtM credit exposure for each BGS-FP Supplier shall be equal to zero. Subsequently, the differences between the available Forward Market Prices on the valuation date and the “mark” prices for the corresponding Billing Months will be used to calculate the daily credit exposures for each BGS-FP Supplier. The total MtM credit exposure will be equal to 1.1 times the sum of the MtM credit exposures for each Billing Month. The methodology for calculation of the MtM credit exposure is illustrated in the example (using hypothetical numbers) set forth in Appendix B hereto.

## **6.6 Credit Limit**

The following criteria constitute the Company’s creditworthiness requirements for the BGS-FP Suppliers to cover the Total Exposure Amount. In all instances, the most current senior unsecured debt rating (or, if unavailable, the most current corporate issuer rating discounted one notch) will be used.

(i) For a BGS-FP Supplier to be granted an unsecured line of credit, the BGS-FP Supplier shall meet the following requirements: (1) must be rated by at least two of the following rating agencies: S&P, Moody’s, Fitch or A.M. Best, and (2) must have a minimum senior unsecured debt rating (or, if unavailable, corporate issuer rating discounted one notch) equal to the Minimum Rating. If the BGS-FP Supplier is

rated by only two rating agencies, and the ratings are split, the lowest rating will be used. If the BGS-FP Supplier is rated by three or four rating agencies, and the ratings are split, the lower of the two highest ratings will be used; provided that in the event that the two highest ratings are common, such common rating will be used. The Maximum Credit Limit to cover the Total Exposure Amount will be determined based on the following table:

Credit Rating of the BGS-FP Supplier				Max. Credit Limit to be calculated as the lesser of the % of TNW and credit limit cap below	
S&P	Moody's	Fitch	A.M. Best	%	Credit Limit Cap
A- and above	A3 and above	A- and above	aaa	16% of TNW	\$60,000,000
BBB+	Baa1	BBB+	aa	10% of TNW	\$40,000,000
BBB	Baa2	BBB	a	8% of TNW	\$30,000,000
BBB-	Baa3	BBB-	bbb	6% of TNW	\$15,000,000
Below BBB-	Below Baa3	Below BBB-	Below bbb	0% of TNW	0

The BGS-FP Supplier will be required to post cash or a letter of credit in an acceptable form as defined in Section 6.9 (b) of this Agreement (see standard format in Appendix C) for the Margin due the Company as set forth in Section 6.7 of this Agreement; or

- (ii) For BGS-FP Suppliers having a Guarantor, the Guarantor (1) must be rated by at least two of the following rating agencies: S&P, Moody's, Fitch or A.M. Best, and (2) must have a minimum senior unsecured debt rating (or, if unavailable,

corporate issuer rating discounted one notch) equal to the Minimum Rating. If the Guarantor is rated by only two rating agencies, and the ratings are split, the lowest rating will be used. If the Guarantor is rated by three or four rating agencies, and the ratings are split, the lower of the two highest ratings will be used; provided that in the event that the two highest ratings are common, such common rating will be used. The Maximum Credit Limit to cover the Total Exposure Amount that could be provided through the Guaranty (see standard format in Appendix D) will be determined based on the following table:

Credit Rating of the Guarantor				Max. Credit Limit to be calculated as the lesser of the % of TNW and credit limit cap below	
S&P	Moody's	Fitch	A.M. Best	%	Credit Limit Cap
A- and above	A3 and above	A- and above	aaa	16% of TNW	\$60,000,000
BBB+	Baa1	BBB+	aa	10% of TNW	\$40,000,000
BBB	Baa2	BBB	a	8% of TNW	\$30,000,000
BBB-	Baa3	BBB-	bbb	6% of TNW	\$15,000,000
Below BBB-	Below Baa3	Below BBB-	Below bbb	0% of TNW	0

The BGS-FP Supplier will be granted a credit limit equal to the lesser of (i) the amount of the Guaranty as provided to the Company at the time this Agreement is executed as such amount may be modified in any amended or substitute Guaranty provided to the Company during the term of this Agreement, or (ii) the Supplier's Maximum Credit Limit. The BGS-FP Supplier, however, may not increase or substitute its Guaranty for the purpose of increasing its applicable credit limit during the time

period after the Company has made a Margin call but before the BGS-FP Supplier has posted the required Margin. Notwithstanding anything herein to the contrary, the BGS-FP Supplier may increase the limit of its Guaranty after satisfying a Margin call from the Company and upon the Company's receipt of an amended or substitute Guaranty increasing the limit of the Guaranty, the BGS-FP Supplier may request a return of Margin in accordance with Section 6.7 of this Agreement. The BGS-FP Supplier will be required to post cash or a letter of credit in an acceptable form as defined in Section 6.9(b) of this Agreement (see standard format in Appendix C) for the Margin due the Company as set forth in Section 6.7 of this Agreement; or

(iii) The posting of cash or a letter of credit as defined in Section 6.9 (b) below for the entire Total Exposure Amount as set forth in Section 6.7 of this Agreement.

#### **6.7 Posting Margin and Return of Surplus Margin**

(a) If at any time and from time to time during the term of this Agreement, the Total Exposure Amount exceeds the BGS-FP Supplier's or the Guarantor's credit limit, then the Company on any Business Day, may request that the BGS-FP Supplier provide cash or a letter of credit in an acceptable form as defined in Section 6.9(b) of this Agreement (see standard format in Appendix C), in an amount equal to the Margin (less any Margin posted by the BGS-FP Supplier and held by the Company pursuant to this Agreement or any other agreement(s) between the Company and the BGS-FP Supplier for the provision of BGS Supply).

If the BGS-FP Supplier receives written notice for Margin from the Company by 1:00 p.m. New York time on a Business Day, then the BGS-FP Supplier shall post

Margin the next following Business Day, if posting cash, and by the second Business Day following the date of notice, if posting a letter of credit, unless the Company agrees in writing to extend the period to provide Margin. If the BGS-FP Supplier receives notice for Margin from the Company after 1:00 p.m. New York time on a Business Day, whether posting cash or a letter of credit, then the BGS-FP Supplier must post Margin the second Business Day following the date of notice unless the Company agrees in writing to extend the period to provide Margin. The Company will not unreasonably deny a request for a one-day extension of such period. In the event that the BGS-FP Supplier fails to post Margin when due in accordance with this Section 6.7, then an Event of Default under Article 5 of this Agreement will be deemed to have occurred and the Company will be entitled to the remedies set forth in Article 5 of this Agreement.

(b) Surplus Margin being held by the Company that is not needed to satisfy the Total Exposure Amount, as determined above, will be returned to the BGS-FP Supplier upon receipt of a written request by the BGS-FP Supplier. Surplus Margin means cash or a letter of credit posted by the BGS-FP Supplier as a result of a request by the Company pursuant to Section 6.7(a) that exceeds the Total Exposure Amount less the BGS-FP Supplier's or the Guarantor's credit limit. The amount returned to the BGS-FP Supplier shall be the surplus Margin then held by the Company. If the BGS-FP Supplier posted cash and notice is received by 1:00 p.m. New York time on a Business Day, the surplus Margin will be returned by the next following Business Day and if the BGS-FP Supplier posted cash and notice is received by the Company after 1:00 p.m. New York time on a Business Day, the surplus Margin shall be returned by the second Business Day following the date of notice, unless the BGS-FP Supplier agrees in writing to extend the

period to return the surplus Margin. If the BGS-FP Supplier posted a letter of credit, the surplus Margin shall be returned on the next Business Day following the Business Day on which the amendment to the letter of credit is received from the issuing bank, unless the BGS-FP Supplier agrees in writing to extend the period to return the surplus Margin. The BGS-FP Supplier will not unreasonably deny a request for a one-day extension of such period. In the event that the Company fails to return the surplus Margin when due in accordance with this Article, then an Event of Default under Article 5 of this Agreement will be deemed to have occurred and the BGS-FP Suppliers will be entitled to the remedies set forth in Article 5 of this Agreement.

#### **6.8 Grant of Security Interest/Remedies**

To secure its obligations under this Agreement and to the extent that the BGS-FP Supplier posted Margin/collateral hereunder, the BGS-FP Supplier hereby grants to the Company a present and continuing security interest in, and lien on (and right of setoff against), and assignment of, all cash collateral and cash equivalent collateral and any and all proceeds resulting therefrom or the liquidation thereof, whether now or hereafter held by, on behalf of, or for the benefit of, the Company, and the BGS-FP Supplier and the Company agree to take such action as is reasonably required to perfect the secured Party's first priority security interest in, and lien on (and right of setoff against), such collateral and any and all proceeds resulting therefrom or from the liquidation thereof. Upon or any time after the occurrence or deemed occurrence and during the continuation of an Event of Default or an Early Termination Date, the Company may do any one or more of the following: (i) exercise any of the rights and remedies of the Company with respect to all collateral, including any such rights and remedies under law then in effect;

(ii) exercise its rights of setoff against any and all property of the BGS-FP Supplier in the possession of the Company whether held in connection with this Agreement or any other agreement(s) between the Company and the BGS-FP Supplier for the provision of BGS Supply; (iii) draw on any outstanding letter of credit issued for its benefit; and (iv) liquidate all security held by or for the benefit of the Company free from any claim or right of any nature whatsoever of the BGS-FP Supplier, including any equity or right of purchase or redemption by the BGS-FP Supplier. The Company shall apply the proceeds of the collateral realized upon the exercise of such rights or remedies to reduce the BGS-FP Supplier's obligation under this Agreement or any other agreement(s) between the Company and the BGS-FP Supplier for the provision of BGS Supply (the BGS-FP Supplier remaining liable for any amounts owing to the Company after such application), subject to the Company's obligation to return any surplus proceeds remaining after such obligations are satisfied in full.

All notices, demands or requests regarding credit requirements and credit related security or deposit transfers shall be in writing and shall be personally delivered or sent by overnight express mail, courier service or facsimile transmission (with the original transmitted by any of the other aforementioned delivery methods) addressed as follows:

If to a BGS-FP Supplier:

Notification information for each BGS-FP Supplier is set forth on Appendix A hereto.

If to the Company to:

Copy to:

or to such other person at such other address as a Party shall designate by like notice to the other Party. Notice received after the close of the Business Day shall be deemed received on the next Business Day; provided that notice by facsimile transmission shall be deemed to have been received by the recipient if the recipient confirms receipt telephonically or in writing.

## **6.9 Security Instruments**

At each BGS-FP Supplier's choice, the following are deemed to be acceptable methods for posting security, if required:

- (a) Cash; or
- (b) A standby irrevocable letter of credit acceptable to the Company issued by a bank or other financial institution with a minimum "A" senior unsecured debt rating (or, if unavailable, corporate issuer rating discounted one notch) from S&P or "A2" from Moody's (see standard format in Appendix C). The letter of credit shall state that it shall renew automatically for successive one-year or shorter periods, until terminated upon at least ninety (90) days prior written notice from the issuing financial institution. If the Company receives notice from the issuing financial institution that the letter of credit is being cancelled, the BGS-FP Supplier will be required to provide a substitute letter of credit from an alternative bank satisfying the minimum requirements. The receipt of the substitute letter of credit must be effective as of the cancellation date and delivered to the Company thirty (30) days before the cancellation date of the original letter of credit. If the BGS-FP Supplier fails to supply a substitute letter of credit as required, then the Company will have the right to draw on the existing letter of credit and to hold the amount as Margin.

If the credit rating of a bank or other financial institution from which a BGS-FP Supplier has obtained a letter of credit falls below the levels specified in Article 6 of this Agreement, the BGS-FP Supplier shall have two (2) Business Days following written notice by the Company to obtain a suitable letter of credit from another bank or other financial institution that meets those standards.

#### **6.10 Maintenance of Creditworthiness**

##### **(a) Reporting of Changes.**

Each BGS-FP Supplier shall promptly notify the Company of any change in its credit rating or financial condition or that of its Guarantor. The BGS-FP Supplier or Guarantor shall also furnish evidence of an acceptable credit rating or financial condition upon the request of the Company.

##### **(b) Change in Credit Standing.**

The Company will re-evaluate the creditworthiness of a BGS-FP Supplier whenever it becomes aware of an adverse change, through the provision of notice by such BGS-FP Supplier or otherwise, in the BGS-FP Supplier's or Guarantor's credit standing. If the lowest credit rating (whether senior unsecured debt rating or corporate issuer rating) used to determine the BGS-FP Supplier's ICT or its credit limit adversely changes, the Company will require additional security from the BGS-FP Supplier in accordance with Sections 6.4 and 6.6 of this Agreement. The additional security must be in a form acceptable to the Company, as specified in Section 6.9 of this Agreement and must be posted as set forth in Section 6.7 of this Agreement.

#### **6.11 Calling on Security**

The Company may call upon the security posted by the BGS-FP Supplier if the

BGS-FP Supplier fails to pay amounts due to the Company pursuant to this Agreement or any other agreement(s) between the Company and the BGS-FP Supplier for the provision of BGS Supply after all of the following events occur:

- (a) Written Notice of Default is provided to the BGS-FP Supplier; and
- (b) Any applicable cure period ends.

The foregoing notwithstanding, the security posted by the BGS-FP Supplier shall become due automatically without prior notice or right of cure in the case of any Event of Default arising under subsections (i), (ii), (iii), (iv), (v), (vi), (vii) and (viii) of Section 5.1 of this Agreement.

#### **6.12 Interest on Cash Held by Company**

The Company will pay simple interest calculated at the lower of the Interest Index or six (6) percent per annum on all cash held by the Company pursuant to this Agreement. Each Billing Month, the Company will prepare a statement of interest amounts due to the BGS-FP Supplier. The statement will be sent to the BGS-FP Supplier within three (3) Business Days after the end of the Billing Month via overnight mail or other expeditious means. The Company shall make interest payments on the first Business Day after the 5<sup>th</sup> day of each calendar month.

#### **6.13 Confidentiality**

Information supplied by a BGS-FP Supplier in connection with the creditworthiness process shall be deemed confidential and not subject to public disclosure, unless Applicable Legal Authorities require disclosure of the information. If information must be disclosed, then the confidentiality of the information shall be maintained consistent with the Applicable Legal Authority's rules and regulations

pertaining to confidentiality. The BGS-FP Supplier will be given prompt notice of any request by a third party to obtain confidential information related to the BGS-FP Supplier's creditworthiness.

#### **6.14 No Endorsement of BGS-FP Supplier**

The Company's determination that a BGS-FP Supplier is creditworthy pursuant to the process set forth above, shall not be deemed to constitute an express or implied warranty or guarantee of any kind with respect to the financial or operational qualifications of the BGS-FP Supplier. The Company will treat all BGS-FP Suppliers in a non-discriminatory manner and shall provide no preference to any BGS-FP Supplier.

#### **6.15 Multiple BGS Supply Agreements**

It is the intention of the Company and the BGS Supplier that, in the event the BGS-FP Supplier is a party to other agreements with the Company for the provision of BGS Supply that existed prior to the effective date of this Agreement or is entered into after the effective date of this Agreement, the Company will calculate the Margin applicable to all such agreements as set forth herein. Each BGS-FP Supplier that is a party to such other agreements with the Company for the provision of BGS Supply hereby agrees that such other agreements are deemed amended by this Agreement for the purpose of calculating the Margin as described herein.

### **ARTICLE 7: PROCEDURES FOR ENERGY SCHEDULING, CAPACITY RESOURCE SUBMISSION AND TRANSMISSION PROCUREMENT**

The Parties must adhere to any applicable operational requirements of PJM necessary to protect the integrity of the transmission system within the PJM Control Area

and the transmission systems of interconnected control areas, and must satisfy any and all PJM, MAAC and NERC criteria, when applicable. The BGS-FP Supplier also must adhere to any applicable operational requirements of the Company necessary to protect the integrity of the Company's local distribution system.

The BGS-FP Peak Load Share will be determined by the Company based on the zonal peak load contributions utilized in the PJM determination of the zonal obligations for Capacity, adjusted for contributions associated with Customers served by Third Party Suppliers, BGS-CIEP Customers and Wholesale Customers. Contributions for TPSs shall be calculated as set forth in the Company's TPS operating procedures found on the Company's website at [www.\\_\\_\\_\\_\\_.com](http://www._____.com). The BGS-FP Peak Load Share of a BGS-FP Supplier is based on the BGS-FP Supplier Responsibility Share.

## **7.1 Load Obligations**

The Company and the BGS-FP Supplier acknowledge that the BGS-FP Customers are within the Company's metered boundaries and that the BGS-FP Load must be divided into BGS-FP Supplier obligations by applying the BGS-FP Supplier Responsibility Share for each BGS-FP Supplier as a Load Serving Entity that must meet its PJM obligations. These load obligations include, but are not limited to, hourly Energy obligations, Capacity obligations, Ancillary Services obligations, and Firm Transmission Service obligations under the PJM Agreements.

## **7.2 Data Transmission**

### **(a) Energy**

The procedures for transmitting load obligation data for the BGS-FP Supplier's hourly Energy obligations shall be as set forth by PJM.

**(b) Capacity**

The procedures for transmitting the BGS-FP Supplier Responsibility Share data to be used by PJM to determine the BGS-FP Supplier's Capacity obligations shall be as set forth by PJM.

**(c) Transmission**

The procedures for transmitting the BGS-FP Supplier Responsibility Share data based upon which the BGS-FP Supplier will meet its obligations under the PJM OATT shall be as set forth by PJM.

**(d) Ancillary Services**

The procedures for transmitting data regarding the BGS-FP Supplier's Ancillary Services obligations shall be as set forth by PJM.

**7.3 Energy Scheduling**

The Company will not provide load-forecasting services. The BGS-FP Supplier shall schedule Energy resources to meet its obligations with PJM as provided for in the PJM Agreements, procedures, and manuals. The Company, through an e-schedule, shall provide PJM and the BGS-FP Supplier with the data regarding the BGS-FP Supplier Responsibility Share of the Energy obligations, as set forth by PJM. The Energy obligations for each BGS-FP Supplier will be determined based on its BGS-FP Supplier Responsibility Share of the BGS-FP Load. The total preliminary BGS-FP Energy obligation will be based on the total Energy loads for all of the BGS-FP Customers as calculated by the Company, including all losses and unaccounted for energy.

**ARTICLE 8: THE ENERGY SETTLEMENT/RECONCILIATION PROCESS**

**8.1 Energy Settlement By PJM**

The settlement process occurs at PJM to reflect the BGS-FP Supplier's actual Energy obligations in a supply/usage reconciliation process. The Energy obligations for each BGS-FP Supplier will be determined based on the BGS-FP Supplier Responsibility Share of the BGS-FP Load. The reconciled total BGS-FP Energy obligation will be based on the final total Energy loads for the Customers receiving BGS-FP service, including losses.

Any adjustments for billing and metering errors reported subsequent to the calculation of FMEA will be proportionally allocated by the Company to the BGS-FP Suppliers.

**8.2 Energy Settlement by the Company**

In the event that actual BGS-FP Customer consumption data is not available until after the PJM deadline for conducting the final settlement, the Company will conduct the settlement process with the BGS-FP Supplier. Should PJM impose penalties against the Company as a result of the BGS-FP Supplier's transactions or failure to meet PJM requirements, such penalties shall be passed through by the Company, to the BGS-FP Supplier as part of this settlement process. In addition, all other applicable charges from PJM, including any billing adjustments, will be appropriately allocated to the BGS-FP Supplier.

**ARTICLE 9: BILLING AND PAYMENT**

**9.1 The Company Payment of Obligations to the BGS-FP Supplier**

The Company shall pay all amounts due to the BGS-FP Supplier hereunder in

accordance with the following provisions:

(a) Each Billing Month, the Company will prepare a Statement of amounts due to the BGS-FP Supplier. A line item on this Statement will show amounts due equal to the Auction Price multiplied by the applicable Seasonal Billing Factor multiplied by PMEA for the Billing Month in question.

(b) The Statement will be sent to the BGS-FP Supplier within six (6) Business Days after the end of the Billing Month via overnight mail or other expeditious means.

(c) The Company shall make payment on the first Business Day after the 19<sup>th</sup> day of each calendar month provided that the Company maintains a minimum senior unsecured debt rating (or, if unavailable, corporate issuer rating discounted one notch) of at least “BBB-” from S&P, “Baa3” from Moody’s or “BBB-” from Fitch (the “Required Rating”). If the Company is rated by only two rating agencies, and the ratings are split, the lower rating will be used. If Company is rated by three rating agencies, and the ratings are split, the lower of the two highest ratings will be used, and, in the event that the two highest ratings are common, such common rating will be used.

(d) In the event that the Company’s minimum senior unsecured debt rating (or, if unavailable, corporate issuer rating discounted one notch) falls below the Required Rating, and until the Company’s minimum senior unsecured debt rating (or, if unavailable, corporate issuer rating discounted one notch) becomes equal or higher than the Required Rating, (i) the Company shall make an initial payment on the first business day after the 5<sup>th</sup> day of the calendar month for approximately 50% of the amount due to the BGS-FP Supplier for the previous calendar month (the “Initial Payment”), and (ii) the

Company shall make a second payment on the first business day after the 19<sup>th</sup> day of the calendar month for any remaining amounts associated with the previous calendar month, which will include the difference between the Initial Payment and any amounts due equal to the Auction Price multiplied by the applicable Seasonal Billing Factor multiplied by PMEA for the Billing Month in question.

(e) To the extent that the FMEA differs from the PMEA the Company will pay or charge the BGS-FP Supplier for the PMEA/FMEA Adjustment Amount within the PJM deadline for conducting the final settlement.

(f) If each Party owes an amount to the other Party pursuant to this Agreement, including any related interest, payments or credits, the Parties may satisfy their respective obligations to each other by netting the aggregate amounts due to one Party against the aggregate amounts due to the other Party, with the Party, if any, owing the greater aggregate amount paying the other Party the difference between the amounts owed.

(g) Payments shall be subject to adjustment for any arithmetic errors, computation errors, meter reading errors, or other errors, provided that the errors become known within one (1) year of the termination of this Agreement.

(h) The Company shall make payments of funds payable to the BGS-FP Supplier by electronic transfer to a bank designated by the BGS-FP Supplier.

(i) If a good faith dispute arises between the Company and the BGS-FP Supplier regarding a Statement, the disputing Party shall be obligated to pay only the undisputed portion of the Statement, if any, and shall present the dispute in writing and submit supporting documentation to the non-disputing Party within one hundred twenty

(120) calendar days from the date of the Statement in dispute. Statement disputes shall be addressed promptly, and in accordance with the dispute resolution procedures set forth in Article 11 of this Agreement. Upon resolution of a Statement dispute, any payments made to either Party will include simple interest on the payment at the lower of the Interest Index or six (6) percent per annum payable from the date that notice of a Statement dispute was received by the non-disputing Party.

(j) If payment is made to the BGS-FP Supplier after the due date shown on the Statement, a late fee will be added to the unpaid balance until the entire Statement is paid. This late fee will be calculated at the prime rate commercial borrowers are charged by J.P. Morgan Chase.

## **9.2 Billing for BGS-FP Supplier's Obligations to Other Parties**

The Company shall have no responsibility for billing between: the BGS-FP Supplier and PJM; the BGS-FP Supplier and any Energy or Capacity source; or the BGS-FP Supplier and any other third party. The Company will be solely responsible for billing BGS-FP Customers for BGS-FP.

## **ARTICLE 10: SYSTEM OPERATION**

### **10.1 Disconnection and Curtailment By the Company**

The Company shall have the right, without incurring any liability to BGS-FP Suppliers, to disconnect (or otherwise curtail, interrupt or reduce deliveries from) the BGS-FP Suppliers or to disconnect (or otherwise curtail, interrupt or reduce deliveries to) any Customer whenever the Company determines in the exercise of its good faith discretion, or when the Company is directed by PJM, that such a disconnection, curtailment, interruption or reduction is necessary to facilitate construction, installation, maintenance, repair, replacement or inspection of any of the Company's facilities; or due to any other reason affecting the safe and reliable operation of the Company's or a Customer's facilities, including Emergencies, forced outages or potential overloading of the Company's transmission and/or distribution circuits, potential damage to any Customer's facilities or any risk of injury to persons.

### **10.2 Inadvertent Loss of Service to BGS-FP Customers**

The Parties agree and acknowledge that service to BGS-FP Customers may be inadvertently lost due to storms, weather, accidents, breakage of equipment or other events beyond the reasonable control of the Company affecting the transmission and distribution system of the Company. Neither Party will have any liability to the other Party for the occurrence of such events except for the Company's obligation to pursue steps for the resumption of the disrupted service as set forth in Section 10.3 below. In no event will an inadvertent loss of service affect a Party's obligation to make any payments then due or becoming due with respect to performance rendered prior to such inadvertent loss of service.

### **10.3 Good Faith Efforts**

The Company shall use good faith efforts to: (a) minimize any curtailment, interruption or reduction to the extent practicable under the circumstances; (b) provide the BGS-FP Supplier with prior notification of any curtailment, interruption or reduction, to the extent practicable; and (c) resume service as promptly as practicable.

### **10.4 PJM Requirements**

The BGS-FP Supplier acknowledges and agrees that, as a member of PJM, the Company is bound by all PJM operating instructions, policies and procedures as are currently set forth in the PJM Operating Manual, which are available through the Internet on the PJM Home Page (<http://www.pjm.com>), as may be revised from time to time, which are needed to maintain the integrity of the PJM system. The BGS-FP Supplier acknowledges and agrees that it will cooperate with the Company so that the Company will be in compliance with all PJM Emergency Operations Procedures, which include, but are not limited to, those procedures pertaining to minimum and maximum generation Emergencies, and measures requiring involuntary Customer participation, such as supply voltage reduction or full interruption of Customer load by either manual or automatic means.

### **10.5 Compliance With Governmental Directives**

The BGS-FP Supplier also acknowledges and agrees that the Company may need to act in response to governmental or civil authority directives which may affect BGS-FP Customer load. The BGS-FP Supplier agrees to cooperate with the Company in order to comply with said directives.

## **ARTICLE 11: DISPUTE RESOLUTION**

### **11.1 Informal Resolution of Disputes**

The Company and the BGS-FP Supplier shall use good faith and reasonable commercial efforts to informally resolve all disputes arising out of the implementation of this Agreement. The BGS-FP Supplier's point of contact for all information, operations, and questions shall be the Company's Basic Generation Service Unit and the Auction Website. Any dispute between the Company and the BGS-FP Supplier under this Agreement may be referred to a designated senior representative of each of the Parties for resolution on an informal basis as promptly as practicable.

### **11.2 Recourse to Agencies or Courts of Competent Jurisdiction**

Nothing in this Agreement shall restrict the rights of either Party to file a complaint with the FERC under relevant provisions of the Federal Power Act ("FPA"), with the BPU under relevant provisions of the Applicable Legal Authorities, with a New Jersey State court of competent jurisdiction, or with a federal court of competent jurisdiction situated in the State of New Jersey. The Parties' agreement hereunder is without prejudice to any Parties' right to contest the jurisdiction of the agency or court to which a complaint is brought.

To the extent that this Agreement is deemed to be subject to FERC jurisdiction, absent the agreement of all parties to a proposed change, the standard of review for changes to any section of the Agreement specifying the rate(s) or other material economic terms and conditions agreed to by the Parties herein, whether proposed by a Party, a non-party, the BPU or FERC acting sua sponte, will be the "public interest" standard of review set forth in United Gas Pipe Line Co. v. Mobile Gas Service Corp.,

350 U.S. 332 (1956) and Federal Power Commission v. Sierra Pacific Power Co., 350 U.S. 348 (1956).

**ARTICLE 12: REGULATORY AUTHORIZATIONS AND JURISDICTION**

**12.1 Compliance With Applicable Legal Authorities**

The Company and the BGS-FP Supplier are subject to, and shall comply with, all existing or future applicable federal, State and local laws, all existing or future duly-promulgated orders or other duly-authorized actions of PJM or of Applicable Legal Authorities.

**12.2 FERC Jurisdictional Matters**

The inclusion herein of descriptions of procedures or processes utilized by PJM or otherwise subject to the jurisdiction of FERC is intended solely for informational purposes. If anything stated herein is found by the FERC to conflict with or be inconsistent with any provision of the FPA, or any rule, regulation, order or determination of the FERC under the FPA or if any existing procedures or processes utilized by PJM are duly modified, the applicable FERC rule, regulation, order, determination or modification shall control. To the extent required under any provision of the FPA, or any rule, regulation, order or determination of the FERC under the FPA, the Company and/or the BGS-FP Supplier, if applicable, shall use reasonable commercial efforts to secure, from time to time, all appropriate orders, approvals and determinations from the FERC necessary to support this Agreement.

**ARTICLE 13: LIMITATION OF LIABILITY**

**13.1 Limitations on Liability**

Except to the extent expressly set forth in this Agreement, each Party shall be

liable to the other Party only for direct damages incurred as a result of such Party's failure to comply with this Agreement and no Party shall have any liability to the other Party for consequential, indirect, special or punitive damages, including lost profits or lost revenues, arising out of such Party's failure to comply with its obligations under this Agreement. Notwithstanding anything to the contrary in this Agreement, the BGS-FP Suppliers have no obligations or liability to other BGS-FP Suppliers.

This Agreement does not create any duty to any BGS-FP Supplier with respect to the administration of the Company's Third Party Supplier Agreements by the Company, including, without limitation, with respect to the credit and security provisions of the Company's Third Party Supplier Agreements and Article 11 thereof. Nor will the Company have any liability to any BGS-FP Supplier for any act or failure to act in connection with such administration. If any dispute arises among the BGS-FP Suppliers regarding the allocation of forfeited security (net of the Company's costs as described in Section 11.3 of the Company's Third Party Supplier Agreements) due to BGS-FP Suppliers pursuant to Article 11 of the Company's Third Party Supplier Agreements, then such forfeited security (net of the Company's costs as described in Section 11.3 of the Company's Third Party Supplier Agreements) will be deposited into an interest-bearing account pending final disposition of such dispute.

### **13.2 Risk of Loss**

Solely for purposes of determining risk of loss and for determining the indemnity obligations under Article 14 of this Agreement, the Company shall be deemed to have custody and control of the electric Energy delivered by a BGS-FP Supplier upon receipt thereof into the Company's distribution system and until delivery thereof at the retail

electric meter of the Customer; and each BGS-FP Supplier shall be deemed to have custody and control of the electric Energy at all times prior to receipt thereof by the Company. Each BGS-FP Supplier shall at all times be deemed to hold title to electric Energy until delivery at the retail electric meter of the Customer at which time title shall be deemed to pass to such Customer. The Party deemed to have custody and control of electric Energy shall, among the Parties to this Agreement, be responsible for all loss or damage to property or injury or death to persons arising in connection with such electric Energy while in its custody and control and shall indemnify the other Parties with respect to same as set forth in Article 14 of this Agreement.

## **ARTICLE 14: INDEMNIFICATION**

### **14.1 Indemnification**

(a) Should the Company become the defendant in, or obligor for, any third party claims and/or liabilities for losses, penalties, expenses, damage to property, injury to or death of any person including a Party's employees or any third parties, that were caused by or occur in connection with an act or omission of a BGS-FP Supplier with respect to an obligation arising under or in connection with this Agreement, or for which such BGS-FP Supplier has otherwise assumed liability under the terms of this Agreement, such BGS-FP Supplier shall defend (at the Company's option), indemnify and hold harmless the Company, its shareholders, board members, directors, officers and employees, from and against any and all such third party claims and/or liabilities, except to the extent that a court of competent jurisdiction determines that the losses, penalties, expenses or damages were caused wholly or in part by the gross negligence or willful misconduct of the Company. The Company may, at its own expense, retain counsel and

participate in the defense of any such suit or action.

(b) Should a BGS-FP Supplier (the “Indemnified Supplier”) become the defendant in, or obligor for, any third party claims and/or liabilities for losses, penalties, expenses, damage to property, injury to or death of any person including a Party’s employees or any third parties, that were caused by or occur in connection with an act or omission of the Company or another BGS-FP Supplier with respect to an obligation arising under or in connection with this Agreement, or for which the Company or such other BGS-FP Supplier has otherwise assumed liability under the terms of this Agreement, the Company or such BGS-FP Supplier shall defend (at the option of the Indemnified Supplier), indemnify and hold harmless the Indemnified Supplier, its shareholders, board members, directors, officers and employees, from and against any and all such third party claims and/or liabilities, except to the extent that a court of competent jurisdiction determines that the losses, penalties, expenses or damages were caused wholly or in part by the gross negligence or willful misconduct of the Indemnified Supplier. The Indemnified Supplier may, at its own expense, retain counsel and participate in the defense of any such suit or action.

#### **14.2 Survives Agreement**

The obligation of a Party to defend, indemnify, and hold harmless another Party under this Article shall survive termination of this Agreement, and shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for either Party under any statutory scheme, including any Worker’s Compensation Acts, Disability Benefit Acts or other Employee Benefit Acts.

**ARTICLE 15: MISCELLANEOUS PROVISIONS**

**15.1 Notices**

Unless otherwise stated herein, all notices, demands or requests required or permitted under this Agreement shall be in writing and shall be personally delivered or sent by overnight express mail, courier service or facsimile transmission (with the original transmitted by any of the other aforementioned delivery methods) addressed as follows:

If to a BGS-FP Supplier:

Notification information for each BGS-FP Supplier is set forth on Appendix A hereto.

If to the Company to:

Copy to:

or to such other person at such other address as a Party shall designate by like notice to the other Party. Notice received after the close of the Business Day shall be deemed received on the next Business Day; provided that notice by facsimile transmission shall be deemed to have been received by the recipient if the recipient confirms receipt telephonically or in writing.

**15.2 No Prejudice of Rights**

The failure of a Party to insist on any one or more instances upon strict performance of any provisions of this Agreement, or to take advantage of any of its rights hereunder, shall not be construed as a waiver of any such provisions or the

relinquishment of any such right or any other right hereunder, which shall remain in full force and effect. No term or condition of this Agreement shall be deemed to have been waived and no breach excused unless such waiver or consent to excuse is in writing and signed by the Party claimed to have waived or consented to excuse.

### **15.3 Assignment**

Parties shall not assign any of their rights or obligations under this Agreement without obtaining (a) any necessary regulatory approval(s) and (b) the prior written consent of the non-assigning Party, which consent shall not be unreasonably withheld; provided that the Company agrees that it shall grant its consent to a proposed assignment by a BGS-FP Supplier if the proposed assignee meets all of the Company's creditworthiness requirements then in effect under Article 6 of this Agreement; and further provided that a BGS-FP Supplier wishing to assign its interests hereunder shall not be obligated to obtain the consent of any other BGS-FP Supplier. No assignment of this Agreement shall relieve the assigning Party of any of its obligations under this Agreement until such obligations have been assumed by the assignee and all necessary consents have been obtained. Any assignment in violation of this Section 15.3 shall be void; provided, however, the Company may assign any or all of its rights and obligations under this Agreement, without the BGS-FP Supplier's consent, to any entity succeeding to all or substantially all of the assets of the Company, if such assignee agrees, in writing, to be bound by all of the terms and conditions hereof and all necessary regulatory approvals are obtained. The BGS-FP Supplier may, with prior written notice to the Company but without obtaining the approval of the Company, assign the accounts, revenues or proceeds under this Agreement to a third party. The Company agrees that, following receipt of such notice of the assignment of accounts, revenues or proceeds and

such other documentation that the Company may reasonably request, the Company will pay amounts becoming due to the assigning BGS-FP Supplier under this Agreement directly to the designated assignee; provided, however, that nothing herein shall enlarge or expand the rights of such designated assignee beyond the rights granted to the BGS-FP Supplier and the right of such designated assignee to receive payments shall be subject to all defenses, offsets and claims of the Company arising under this Agreement. The Company further agrees that, in the event necessary regulatory approvals to effectuate an assignment have been sought in good faith but that action by the regulatory body is pending, the Company shall accept the performance of the proposed assignee as a Party to this Agreement, as co-obligor with the Party proposing to assign its interest, until such approvals are obtained; provided that, in the event the regulatory body declines to grant its approval (or, in the discretion of the Company, in the event the application seeking approval is still pending without action by the regulatory body after ninety (90) days), the request for approval of the assignment shall be deemed to have been rejected.

#### **15.4 Governing Law and Venue**

To the extent not subject to the jurisdiction of the FERC, questions including those concerning the formation, validity, interpretation, execution, amendment, termination and construction of this Agreement shall be governed by the laws of the State of New Jersey, without regard to principles of conflicts of law. Any lawsuit arising in connection with this Agreement shall be brought only in the State or federal courts of New Jersey.

#### **15.5 Headings**

The headings and subheadings contained in this Agreement are used solely for

convenience and do not constitute a part of the Agreement between the Parties hereto, nor should they be used to aid in any manner in the construction of this Agreement.

### **15.6 Third Party Beneficiaries**

This Agreement is intended solely for the benefit of the Parties hereto including Customers for which the Company is executing this Agreement as agent. Nothing in this Agreement shall be construed to create any duty, or standard of care with reference to, or any liability to, any person not a Party to this Agreement.

### **15.7 General Miscellaneous Provisions**

(a) This Agreement shall not be interpreted or construed to create an association, joint venture, or partnership between the Parties (or any of them), or to impose any partnership obligation or liability upon any Party. The obligations of the BGS-FP Suppliers are expressly agreed to be several and not joint. No Party shall have any right, power, or authority to enter into any agreement or undertaking for, or on behalf of, or to act as or be an agent or representative of, or to otherwise bind, any other Party.

(b) Cancellation, expiration or Early Termination of this Agreement shall not relieve the Parties of obligations that by their nature survive such cancellation, expiration or termination, including warranties, remedies, promises of indemnity and confidentiality.

(c) Should any provision of this Agreement be held invalid or unenforceable, such provision shall be invalid or unenforceable only to the extent of such invalidity or unenforceability without invalidating or rendering unenforceable any other provision hereof unless it materially changes the agreement of the Parties.

(d) Each of the Parties acknowledges that it has read this Agreement,

understands it, and agrees to be bound by its terms. This Agreement is intended by the Parties as a final expression of their agreement. The Parties further agree that this Agreement is the complete and exclusive statement of agreement and supersedes all proposals (oral or written), understandings, representations, conditions, warranties, covenants and all other communications between the Parties relating thereto.

### **15.8 Taxes**

All present and future federal, state, municipal or other taxes imposed by any taxing authority by reason of the provision of BGS-FP Supply to BGS-FP Customers by a BGS-FP Supplier under this Agreement shall be the liability of the BGS-FP Supplier, except for New Jersey State Sales and Use Taxes, which will be the Company's responsibility to collect from BGS-FP Customers for remittance to the applicable taxing authority. Should a BGS-FP Supplier be required to remit any New Jersey State Sales and Use Taxes directly to the applicable taxing authority, other than taxes previously collected by the BGS-FP Supplier on behalf of the Company, the Company will defend and indemnify the BGS-FP Supplier for such Sales and Use Taxes and will pay to the BGS-FP Supplier all such tax amounts upon demand. Each BGS-FP Supplier shall pay all such taxes to the applicable taxing authority to the extent required or permitted by law. If any transaction is exempt from the payment of any such taxes, the affected BGS-FP Supplier will, if requested, provide the Company with valid tax exemption certificates. Should the Company be required to remit any such taxes directly to any applicable taxing authority, other than taxes previously collected by the Company directly from a BGS-FP Supplier, the BGS-FP Supplier will defend and indemnify the Company and will pay to the Company all such tax amounts upon demand.

If new taxes are imposed on Energy, Capacity, Firm Transmission Service or Ancillary Services after the Effective Date of this Agreement, within forty-five (45) days of the final adoption of any such new taxes, the Company will notify the BGS-FP Suppliers that such new tax has been adopted, will seek approval from the Board to collect the new taxes from BGS-FP Customers, and will provide the BGS-FP Suppliers with a copy of the Company's petition seeking such approval from the Board. Upon receipt of Board approval of the collection of the new taxes from BGS-FP Customers, the BGS-FP Supplier will be excused from liability for payment of those new taxes.

#### **15.9 Changes in Transmission Charges for Firm Transmission Service**

(a) If during the term of this Agreement, a filing is made with the FERC to increase or decrease the charges for Firm Transmission Service, including any charge or surcharge imposed on customers receiving Firm Transmission Service, or if the charges for Firm Transmission Service are adjusted pursuant to a FERC-authorized formula rate, then the following procedures shall apply:

(i) within forty-five (45) days of the date upon which the rate change filing or formula rate informational filing is made with the FERC, the Company will notify the BGS-FP Suppliers that such rate filing has been made, and will seek approval from the Board to increase or decrease the charges to BGS-FP Customers by the amount of such rate adjustment for Firm Transmission Service; provided that, if the rate adjustment for the Firm Transmission Service is to the demand component of such rate, the rate adjustment sought by the Company shall be stated as a dollar per kilowatt-hour charge or reduction based on a load factor for transmission service equal to the load factor for transmission service over the previous twelve (12) months; and further

provided that the Company will provide the BGS-FP Suppliers with a copy of the Company's petition seeking such approvals from the Board;

(ii) upon receipt of Board approval for the adjustment in the charges to BGS-FP Customers, the Company shall begin collecting the new charges (calculated with respect to the increase or decrease) from the BGS-FP Customers;

(iii) in the event of a decrease in Firm Transmission Service Charges, the Auction Price shall be deemed to be decreased by the decrease to BGS-FP Customers approved by the BPU;

(iv) in the event of an increase in Firm Transmission Service Charges the following provisions shall apply: (a) commencing with the date that the Company begins collecting the rate increase approved by the BPU from the BGS-FP Customers, the Company shall track that portion of the charges to BGS-FP Customers comprised by the increase and shall retain such tracked amounts for the benefit of the BGS-FP Suppliers; (b) upon approval by the FERC, in a Final FERC Order and not subject to refund, of a proposed increase in charges for Firm Transmission Service, or at such time as an annual adjustment to the charges for Firm Transmission Service becomes effective pursuant to the applicable FERC-authorized formula rate, the following shall occur: (A) the Auction Price shall be deemed to be increased by the increase to BGS-FP Customers approved by the BPU; and (B) the Company shall promptly pay each BGS-FP Supplier, in proportion to its BGS-FP Supplier Responsibility Share, the amounts tracked and retained for the benefit of BGS-FP Suppliers during the term of this Agreement; provided, however, that in the event only a proportion of the increased charge for Firm Transmission Service is approved by FERC, in a Final FERC Order and not subject to

refund, the Auction Price shall be increased only by that portion of the increase approved by the FERC and the BGS-FP Suppliers shall be paid only that portion of the tracked and retained amounts associated with the portion of the increase approved by the FERC; and further provided that in the event FERC approves less than the entirety of the increased charge or rejects the increase in its entirety, all amounts tracked and retained by the Company for the benefit of the BGS-FP Suppliers associated with the rejected increase for Firm Transmission Service (or the rejected portion of the increase for Firm Transmission Service), shall be credited by the Company against future rates paid by BGS-FP Customers and the BGS-FP Suppliers shall have no right in or to such amounts. The Company will pay simple interest on amounts tracked and retained hereunder, calculated at the lower of the Interest Index or six (6) percent per annum; and

(v) Nothing herein shall prevent or restrict the participation of the Company or the BGS-FP Suppliers in any FERC or judicial proceedings associated with any proposed increase or decrease in charges for Firm Transmission Service or any FERC or judicial proceedings associated with any formula rate adjustment, in sponsoring, supporting, opposing, challenging or otherwise addressing such increases, decreases, or adjustments.

(b) If, prior to the Effective Date of this Agreement, a filing is made with the FERC to increase or decrease the charges for Firm Transmission Services, including any charge or surcharge imposed on customers receiving Firm Transmission Services, and the Company seeks the approval of the BPU to increase or decrease the rates charged to BGS-FP Customers by the amount of such increase or decrease for Firm

Transmission Services, then the following procedures shall apply:

(i) upon receipt of Board approval for the increase or decrease in the rates charged to BGS-FP Customers, the Company shall begin collecting the new rate (calculated with respect to the increase or decrease) from the BGS-FP Customers;

(ii) in the event of a rate decrease, the Auction Price shall be deemed to be decreased by the rate decrease to BGS-FP Customers approved by the BPU;

(iii) in the event of a rate increase the following provisions shall apply: (a) commencing with the later of (x) the date that the Company begins collecting the rate increase approved by the BPU from the BGS-FP Customers or (y) June 1, 2013 if the Company begins collecting the rate increase approved by the BPU from the BGS-FP Customers prior to June 1, 2013, the Company shall track that portion of the rates charged to BGS-FP Customers comprised by the rate increase and shall retain such tracked amounts for the benefit of the BGS-FP Suppliers; (b) upon approval by the FERC, in a Final FERC Order and not subject to refund, of the proposed increase in charges for Firm Transmission Service, the following shall occur: (A) the Auction Price shall be deemed to be increased by the increase in charges to BGS-FP Customers approved by the BPU; and (B) the Company shall promptly pay each BGS-FP Supplier, in proportion to its BGS-FP Supplier Responsibility Share, the amounts tracked and retained for the benefit of BGS-FP Suppliers during the term of this Agreement; provided, however, that in the event only a proportion of the proposed increase in charges for Firm Transmission Service is approved by FERC, in a Final FERC Order and not subject to refund, the Auction Price shall be increased only by that portion of the

proposed increase approved by the FERC and the BGS-FP Suppliers shall be paid only that portion of the tracked and retained amounts associated with the increase approved by the FERC; and further provided that in the event FERC approves less than the entirety of the proposed increase or rejects the proposed increase in its entirety, all amounts tracked and retained by the Company for the benefit of the BGS-FP Suppliers associated with the rejected increase in charges for Firm Transmission Service (or the rejected portion of the proposed increase in charges for Firm Transmission Service), shall be credited by the Company against future rates paid by BGS-FP Customers and the BGS-FP Suppliers shall have no right in or to such amounts. The Company will pay simple interest on amounts tracked and retained hereunder, calculated at the lower of the Interest Index or six (6) percent per annum; and

(iv) Nothing herein shall prevent or restrict the participation of the Company or the BGS-FP Suppliers in any FERC or judicial proceedings associated with any proposed increase or decrease in charges for Firm Transmission Service, in sponsoring, supporting, opposing, challenging or otherwise addressing such proposed rate increases or decreases.

(c) In the event that, at the beginning of the term of this Agreement, PJM Transmission Charges include charges approved by FERC subject to refund without a Final FERC Order and such charges are being collected from BGS-FP Customers pursuant to BPU approval, these charges will be treated as rate increases pursuant to subsection 15.9(a)(iv) of this Agreement.

(d) Nothing herein to the contrary withstanding, in the event that the Company, in the exercise of its good faith judgment, cannot determine whether, or the extent to which, a filing at the FERC seeking a change in charges (including a filing seeking a change in rate design) for Firm Transmission Service, should be considered an increase or decrease in rates for the purposes of the preceding paragraphs, the Company may seek a ruling requesting such a determination from the BPU within ten (10) Business Days of the filing at the FERC. The Company shall thereafter implement the rate increase or rate decrease for Firm Transmission Service, if any, through an appropriate adjustment in the Auction Price in accordance with the directives of the BPU in its order.

#### **15.10 Use of the Word “Including”**

The word “including”, when following any general statement or term, is not to be construed as limiting the general statement or term to the specific items or matters set forth or to similar items or matters, but rather as permitting the general statement or term to refer to all other items or matters that could reasonably fall within its broadest possible scope.

#### **15.11 Federal Acquisition Regulation**

If any of the following clauses prescribed by the Federal Acquisition Regulation (“FAR”), 48 Code of Federal Regulations Chapter 1, should be deemed to apply to this Agreement, the BGS-FP Supplier shall comply with the requirements of such clause(s), and shall include the terms or substance of such clause(s) in its subcontracts, as and to the extent required by the FAR:

- 1) Clean Air and Water: §52.223-2;

- 2) Contract Work Hours and Safety Standards Act-Overtime Compensation: §52.222-4;

- 6) Utilization of Small Business Concerns and Small Disadvantaged Business Concerns and Small Business and Small Disadvantaged Business Subcontracting Plan: §52.219-8 and §52-219-9.

In case of a conflict between the provisions of the FAR and the balance of this Agreement, the requirements of the FAR shall prevail.

#### **15.12 Binding Terms**

This Agreement and the rates, terms and conditions herein shall remain in effect for the entire term hereof and each Party (including the Company acting on behalf of Customers) agrees not to seek any change to such rates, terms and conditions pursuant to the FPA, if the FPA is deemed to have jurisdiction over this Agreement, including on the grounds that they are not just and reasonable.

#### **15.13 Amendment**

This Agreement, including the appendices hereto, cannot be amended without the written agreement of all Parties and the approval of the Board prior to such amendment becoming effective.

#### **15.14 Counterparts**

This Agreement may be executed in counterparts, each of which will be considered an original, but all of which shall constitute one instrument.

**IN WITNESS WHEREOF**, the Parties hereto have caused this Agreement to be executed by their duly authorized representatives as of the date first set forth above.

## **MtM Exposure Amount Calculation Information:**

Table 1 contains the illustrative marks<sup>2</sup> for each month of the BGS-FP auction period. Monthly marks (example only, to be updated in January 2013) are provided for June 2013 through May 2016. For the months, two-month blocks<sup>3</sup> or quarterly blocks<sup>3</sup> where broker quotes are available, broker quotes will be used for those months. For all the remaining months the EDCs will be using a proprietary method that reflects forward market conditions.

The method described above will be employed from \_\_\_\_\_, 2013 through \_\_\_\_\_, 2013. From \_\_\_\_\_, 2013 through the day of the close of the BGS-FP Auction, only the months for which a monthly, a two-month block or a quarterly block quotes are available will be updated. The mark for each Billing Month is the mark that was calculated on the date that the BGS-FP Auction closes and will not change over the life of the contract. After the close of the BGS-FP Auction Forward Market Prices will change. In addition, the on-peak and off-peak loads used to calculate the MtM Exposure Amount will be adjusted monthly to reflect the most current changes.

Forward Market Prices for the months, two-month blocks or quarterly blocks where at least two broker quotes are available will be equal to the broker quotes. In case quotes for a component of a block and for the block are both available, the EDCs reserve the right not to use both the component of a block and the block if they are inconsistent with each other. However, when this inconsistency occurs the EDC must use either the component or the block. Forward Market Prices for the months, two-month blocks or quarterly blocks where broker quotes are unavailable will be equal to the last available broker quotes or in case they have not been quoted on the broker sheets since the BGS-FP Auction closed, they will be equal to the marks set at the close of the BGS-FP Auction.

---

<sup>2</sup> Illustrative marks represent PJM Western Hub on-peak prices.

<sup>3</sup> For two-month and quarterly blocks for which the average for the block and a component of the block are both quoted, the component will be equal to its quoted price and the other months in the block will be constructed so that the weighted average (weighted by on-peak hours in each month) of the block equals the quote for the block; e.g., Q4 2013 = \$50 and Oct 2013 = \$40; therefore, Oct 2013 = \$40 and Nov-Dec 2013 = \$55  $(\$50 \cdot (336+336+368) - \$40 \cdot 336) / (336+368) = \$54.77$ . If only the block is quoted, that price will be used for all relevant months; e.g., Jan/Feb 2014 = \$35, then Jan 2014 = \$35 and Feb 2014 = \$35.

## **MtM Calculation Example**

### **Parameters**

On the closing day of the auction, the following parameters are set

1. The expected On-Peak Load per tranche for each EDC.
2. The expected Off-Peak Load per tranche for each EDC.
3. A table of monthly on-peak forward prices (to be used as the inception price “mark” for each month of the supply period).
4. A table of monthly historical on-and off-peak energy prices to determine the ratio of off-peak price to on-peak prices.

Indicative on-peak and off-peak loads per tranche for each EDC will be made available 14 days prior to the auction.

**ALL ENERGY PRICES ARE BASED ON THE PJM WESTERN HUB.**

**APPENDIX D TO BGS-FP SUPPLIER MASTER AGREEMENT,**  
DATED \_\_\_\_\_, 2013,  
BY AND BETWEEN \_\_\_\_\_  
AND THE BGS-FP SUPPLIERS

**GUARANTY**

GUARANTY (this "Guaranty"), dated as of \_\_, 2013, made by \_\_\_\_\_ (the "Guarantor"), a corporation organized and existing under the laws of \_\_\_\_\_ in favor of \_\_\_\_\_ (the "Guaranteed Party"), a corporation organized and existing under the laws of the State of New Jersey.

Terms not defined herein take on the meaning given to them in the BGS-FP Supplier Master Agreement(s) dated \_\_\_\_\_ and/or the BGS-CIEP Supplier Master Agreement(s) dated \_\_\_\_\_ (the "Agreements"). Guarantor enters into this Guaranty in consideration of, and as an inducement for Guaranteed Party having entered into or entering into the "Agreements" with \_\_\_\_\_ [Name], a \_\_\_\_\_ [State] corporation (the "BGS Supplier"), which may involve the extension of credit by the Guaranteed Party. Guarantor, subject to the terms and conditions hereof, hereby unconditionally and absolutely guarantees to the Guaranteed Party the full and prompt payment when due, subject to an applicable grace period and upon demand in writing from the Guaranteed Party to the Guarantor's attention at the address for Guarantor set forth in Section 11 hereof of any and all amounts payable by the BGS Supplier to the Guaranteed Party arising out of the Agreement(s), and,

1. The Guarantor, as primary obligor and not merely as surety, hereby irrevocably and unconditionally guarantees the full and prompt payment when due (whether by acceleration or otherwise) of the principal and interest on any sums due and payable by the BGS Supplier as a result of an Event of Default under the Agreement(s) (including, without limitation, indemnities, damages, fees and interest thereon, pursuant to the terms of the Agreement(s)). Notwithstanding anything to the contrary herein, the maximum aggregate liability of the Guarantor under this Guaranty shall Option 1 [in no event exceed \_\_\_\_\_.] Option 2 [in no event exceed the lesser of [the credit limit amount] or the sum of the Total Exposures Amounts under the Agreement(s).] All such principal, interest, obligations and liabilities, collectively, are the "Guaranteed Obligations". This Guaranty is a guarantee of payment and not of collection.
2. The Guarantor hereby waives diligence, acceleration, notice of acceptance of this Guaranty and notice of any liability to which it may apply, and waives presentment and all demands whatsoever except as noted herein, notice of protest, notice of dishonor or nonpayment of any such liability, suit or taking of other action by any Guaranteed Party against, and any other notice to, any party liable thereon (including the Guarantor or any other guarantor), filing of claims with a court in the event of the

insolvency or bankruptcy of the BGS Supplier, and any right to require a proceeding first against the BGS Supplier.

3. The Guaranteed Party may, at any time and from time to time, without notice to or consent of the Guarantor, without incurring responsibility to the Guarantor and without impairing or releasing the obligations of the Guarantor hereunder, upon or without any terms or conditions: (i) take or refrain from taking any and all actions with respect to the Guaranteed Obligations, any Document or any person (including the BGS Supplier) that the Guaranteed Party determines in its sole discretion to be necessary or appropriate; (ii) take or refrain from taking any action of any kind in respect of any security for any Guaranteed Obligation(s) or liability of the BGS Supplier to the Guaranteed Party; or (iii) compromise or subordinate any Guaranteed Obligation(s) or liability of the BGS Supplier to the Guaranteed Party including any security for such Guaranteed Obligation(s) or liability of the BGS Supplier to the Guaranteed Party.
4. Subject to the terms and conditions hereof, the obligations of the Guarantor under this Guaranty are absolute and unconditional and, without limiting the generality of the foregoing, shall not be released, discharged or otherwise affected by: (i) any extension, renewal, settlement, compromise, waiver, consent, discharge or release by the BGS Supplier concerning any provision of the Agreement(s) in respect of any Guaranteed Obligations of the BGS Supplier; (ii) the rendering of any judgment against the BGS Supplier or any action to enforce the same; (iii) the existence, or extent of, any release, exchange, surrender, non-perfection or invalidity of any direct or indirect security for any of the Guaranteed Obligations; (iv) any modification, amendment, waiver, extension of or supplement to any of the Agreement(s) or the Guaranteed Obligations agreed to from time to time by the BGS Supplier and the Guaranteed Party; (v) any change in the corporate existence (including its constitution, laws, rules, regulations or powers), structure or ownership of the BGS Supplier or the Guarantor, or any insolvency, bankruptcy, reorganization or other similar proceedings affecting the BGS Supplier or its assets, the Guarantor or any other guarantor of any of the Guaranteed Obligations; (vi) the existence of any claim, set-off or other rights which the Guarantor may have at any time against the BGS Supplier, the Guaranteed Party or any other corporation or person, whether in connection herewith or in connection with any unrelated transaction; provided that nothing herein shall prevent the assertion of any such claim by separate suit or compulsory counterclaim; (vii) the invalidity, irregularity or unenforceability in whole or in part of the Agreement(s) or any Guaranteed Obligations or any instrument evidencing any Guaranteed Obligations or the absence of any action to enforce the same, or any provision of applicable law or regulation purporting to prohibit payment by the BGS Supplier of amounts to be paid by it under the Agreement(s) or any of the Guaranteed Obligations; and (viii) except for a failure to comply with any applicable statute of limitations, any other act or omission to act or delay of any kind of the BGS Supplier, any other guarantor, the Guaranteed Party or any other corporation or person or any other event, occurrence or circumstance

whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of the Guarantor's obligations hereunder.

5. The Guarantor hereby irrevocably waives (a) any right of reimbursement or contribution, and (b) any right of salvage against the BGS Supplier of any collateral security or guaranty or right of offset held by the Guaranteed Party.
6. The Guarantor will not exercise any rights, which it may acquire by way of subrogation until all Guaranteed Obligations to the Guaranteed Party pursuant to the Agreement(s) have been paid in full.
7. Subject to the terms and conditions hereof, this Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon.
