II.E Regulatory Milestones and Tentative Auction Timeline

In accordance with the Board Order dated November 18, 2020 in BPU Docket No. ER20030190, which directs NERA to provide additional training to prospective bidders and mock auctions to test prospective bidders' connectivity, the EDCs submit the following Auction timeline integrating these additional events. The training events and mock auctions are shown in *italics*. The Auction timeline has also been updated for those events that were tentatively scheduled in the July filing and for which a date is now known.
