Confidential Information: There are two types of Confidential Information. Confidential Information relative to the bidding strategy means information relating to a bidder's bid, whether in writing or verbally, which if it were to be made public would be likely to have an effect on any of the bids that another bidder would be willing to submit at the auction. Confidential Information regarding the Auction Process means information that is not released publicly by the Board or the BGS Auction Manager and that a bidder acquires as a result of participating in the Auction Process, whether in writing or verbally, which if it were to be made public could impair the integrity of current or future auctions, impair the ability of the EDCs to hold future auctions, harm consumers, or injure bidders or Applicants. Please consult the BGS-RSCP or BGS-CIEP Auction Rules for a more detailed description of Confidential Information.

Joint Venture: An enterprise entered into by two or more people for profit with the purpose of bidding in the auction (the BGS-RSCP Auction or the BGS-CIEP Auction). A joint venture has most of the elements of a partnership, such as shared management, the power of each venturer to bind the others in the business, division of profits and joint responsibility for losses.

However, unlike a partnership, a joint venture anticipates a specific area of activity and/or period of operation, so after the purpose is completed, bills are paid, profits (or losses) are divided, and the joint venture is terminated.

(The Qualified Bidder may submit a Pre-Auction Letter of Credit in the amount of \$2,400,000 per tranche of the BGS-RSCP Qualified Bidder’s indicative offer at the Maximum Starting Price in lieu of submitting a Letter of Intent to Provide a Guaranty or Letter of Reference.) The Pre-Auction Letter of Credit may be drawn if the bidder: a) has made a material omission or misrepresentation in this Part 1 Application or the Part 2 Application submitted to participate in the BGS-RSCP Auction; or has violated the BGS-RSCP Auction Rules; or b) has a winning bid in the BGS-RSCP Auction and fails to execute the BGS-RSCP Supplier Master Agreement within three (3) business days of the certification of the BGS-RSCP Auction results by the Board as specified in the BGS-RSCP Auction Rules; or c) has a winning bid in the BGS-RSCP Auction and fails to meet the creditworthiness requirements of the BGS-RSCP Supplier Master Agreement within three (3) business days of the certification of the BGS-RSCP Auction results by the Board as specified in the BGS-RSCP Auction Rules.

Starting Prices: The Starting Prices (or EDC-specific Starting Prices) are the going prices in effect during the bidding phase of the first round.
